FROM THE DESK OF THE PRINCIPAL

In the words of Dr. APJ Abdul Kalam, “The Education System has to be based on capacity building comprising five components: research and inquiry, creativity and innovation, capacity to use high-end technology, entrepreneurship, and moral leadership.”

We, at Brahm Dutt Blue Bells, sincerely believe in adhering to this education model as we strongly feel that our students must grow up with the capacity to contribute to the social and economic growth of our country. This student-led project and research-based learning is an integral part of our curriculum inculcating in the students the inquisitiveness to explore, innovate and curate. They learn through hands-on activities thereby strengthening their critical and creative thinking skills. The focus is laid on value-based learning along with building the capacity of the children to use high-end technology.

The excellent result of the school in the Board Examinations 2022-23 for Classes XII and X is a proud testimony to the ever-evolving educational system that promotes innovation, exploration, and creativity in Gen-Z. The students have proved that hard work and success are directly proportional to each other. The efforts of the learners and teachers along with the exceptional mentoring of the management have once again proven that experience has a cutting edge above others.

I extend my heartiest congratulations to all the parents and students for the brilliant result. I also wish to share our belief that education is an endless journey that ignites tender minds to become wholesome wholes.

We nurture the tangible and intangible strengths of each student, carefully preparing them to face the challenges of the GLOCAL world. We empower our scholars and sensitize them to constantly raise their own expectations and surpass their own performance. We are highly grateful to our committed management, dedicated teachers, and caring and supportive parents who ardently contribute to create a child-centric school. We can achieve more to benefit our students who are future leaders of tomorrow through collaborative efforts.

We vow to traverse with renewed vigor and scale greater heights. I seek the blessings of the Almighty to give us strength to march ahead with courage and conviction.

Stay Safe, Stay Connected!

Warm Regards

Trilok Singh Bist
